work experience

Lead Publication Designer

September 2006 – Present

MPA MEDIA, Huntington Beach, CA

- Conceptualized and art directed layouts for both trade and consumer publications.
- Managed the production cycles of five publications and working with both editorial and advertising departments to meet regularly occurring deadlines.
- Redesigned a flagship publication and was involved in the design of a brand new magazine.
- Operated as interim designer for marketing department, creating print collateral, trade show graphics and advertising for both internal and external clients.

Graphic Designer

October 2005 – August 2006

PINECONE PRESS, Santa Ana, CA

- Contributed to the design and production of monthly publications and product packaging.
- Executed production tasks that included product photography, image scanning, color corrections and pre-press file preparations.
- Aided in other areas of the business including shipping & receiving as well as invoicing.

Graphic Design Intern

July 2005 – September 2005

JUVE CREATIVE, Huntington Beach, CA

- Assisted in the conceptualization and design of print materials.
- Performed production work including image scanning, proof checks, and design layout.
